CEO Forum

The rationale :

CEOs , like everyone else have to manage their business, family and self successfully and balance their lives in a way that they feel fulfilled and happy. However, they are lonely because at each stage of their lives, they find themselves tackling new issues which they have no one to turn to for help, support, ideas and a listening ear. Sometimes, it is good to share one's concerns with friends who are in different industries but understand your predicament or concerns.

The objectives:

- to share, discuss, listen and suggest possible solutions, process, knowledge and experience with one another.
- to offer support and understanding to each other
- to learn new skills, acquire new knowledge, overcome fears and create a new and closer network of friends and business associates.

BNC's CEO Forum is a friendly gathering of BNC members who meet once a month to :

- share one's problems, opportunities, ideas, concerns ,experiences and feedback with other members so as to find ways to overcome them; assimilate new ideas; experience new learning and improve on one's outlook and understanding.

- reflect on one's experiences in life in terms of the business, family and self. It gives the individual and the group an opportunity to learn through reflection , understanding , exploring, discussing, supporting , caring and encouragement.

- discuss and share without fear or favour your dreams and hopes and your discoveries.

Environment

- A friendly and non-threatening environment whereby you can share your innermost thoughts or you may choose to be an ardent listener. All members shall support one another.

- Normally held at BNC's secretariat although venue can be at member's office.

Time and Date:

Normally from 9.30 am to noon on the second Friday of the month. Thereafter , members can adjourn for lunch together.

Rules

- The basic tenet of the forum is one of confidentiality. Therefore, all members who attend the forum are regulars and conform to the rule of confidentiality. Whatever that transpires during the meeting stays there and any member found to have circulated the contents of the meeting in whatever form to people (incl.other BNC members) who are not within the CEO forum, shall be expelled from the forum.

- Comments , suggestions etc are non personal and are meant to be helpful to fellow members of the forum. Therefore, we seek no favours nor personal gains and help and support is always voluntary and sincere.

- The maximum number of members for each group is ten.

- Preferably, members of the forum are not in competition with each other. If it is, then a new group would be formed.
