The Business Networking Club Kuala Lumpur & Petaling Jaya takes pleasure in inviting you and your guest to our August dinner-cum-talk, Members of BNC are active owners and senior executives who meet once a month to network, interact, to get business opportunities. For more information about BNC kindly visit www.bnc.org.my

Networking is not just schmoozing or just exchanging business cards, or selling, or talks. If you think that networking function is only on hard selling, or business or just to get contacts, you are pretty wrong. These are only part of the process. Many of us get exhausted and de-motivated because no matter how hard we network, we don't seem to be gaining anything. Sometimes we feel it is waste of time as we do not see the value. Well there has to a cause and effect to all problems.

BNC is in the midst of going through a paradigm shift to create value-add to members during all functions. This will inevitably bring a spiral effect to lure more members. This is what our vision spells out-To see BNC as a premier business networking club that caters for entrepreneurs of all industries including professionals and also to double its membership with the concept of 1 BNC. BNC First.

From now on, every dinner meeting will be structured in a manner that will add value to members and guests. Among other features, we will have educational talks that are more relevant to the need of the present business world. The whole idea is to ensure conducive environment with a professional business approach towards a meaningful and effective networking culture that would benefit all members. Senior members will be the mentor to inspire new members.

Apart from that BNC will also work along with experts who will be sharing tips on image grooming for business, leadership, know-hows on business traits, business set-ups, plannings, etc. These are in the pipeline during the course of the year. So by becoming members there is so much to gain.

This month, we are please to bring you a very interesting and inspirational talk on :

"HOW TO MAXIMIZE RETURN ON INVESTMANT (ROI) IN FOREX"

By Mr Suthakaran Raman & Sashi Kumar

Synopsis of the topic : Very often the term FOREX scares scores of people and often, people do not have positive perception on this subject. The reason is very simple.. "Many have burnt their investment in this. Today BNC is privileged to get two prominent speakers who will share with us on how this negative perception can be eliminated and replaced with positive perception. They will share their experiences and techniques on how to maximize the ROI through their very own patented tool which is very educational and skill based in the present age of global changes. With a complete education and knowledge experience focusing on trading fundamentals, technical analysis, risk management and highly-developed skills of execution, individuals/businessmen may be able to delve into the unlimited world of financial investments and reap its rewards. The speakers will share with us usefull tips on these which may be helpful for those who are in desire for wealth or cash flow.

Speakers Biodata : Suthakaran Raman and Sashi Kumar are the founder members of **Futurecom Ventures** which has educated hundreds of businessmen/individuals to effectively grow their wealth. Having gone through various mistakes in the early involvement in this field of FOREX and real-life experiences, they have mastered the ART of minimizing mistakes and maximizing ROI. Suthakaran is from an Engineering Background with **10** years experience in the industry while Sashi Kumar was an out-door trainer for corporate clients for a couple of years before embarking into this arena. Together they have succeeded in patenting a technique that is educational for all those who are inclined towards searching sound financial and comfortable life in the area of investment.
